Grab your mates, partner, children for a night to remember

TALK UP TAIHAPE

November 2020

Chairman Report

The Taihape Community Development Trust continues to derive an immense amount of satisfaction from the support we are able to provide for the many groups and individuals in our community.

Overseen by its seven trustees, the Trust actively engages with and supports a diverse range of community stakeholders. It is conscious of its role to balance the needs of today, while maintaining a legacy for tomorrow and supporting a better Taihape for all.

I would like to thank our past Chair Katene Peretini, Trustees Jan Byford, Gill Duncan, and our office administrator Frances McKeown for the extra effort and time given during the trying COVID-19 pandemic period.

Over the past year, the Trust funding focus has included children, young adults, community, education and joining the workforce in support of a vibrant community.

As well as fulfilling an important funding role, the Trust is embracing an even greater collaborative approach, partnering with other community organisations to help achieve the best possible results.

The Trust plans to play an even stronger role in providing advice, facilitation of funding services, connecting people and organisations to make things happen, including helping to remove barriers wherever possible.

I would also like to welcome our Co-ordinator Pania Winiata who comes to us with local connections and knowledge.

Les Clarke

Taihape Ambulance Station Building Project Update

Most of you are aware, we are busy fundraising for a new ambulance station for Taihape. We are extremely grateful of those in the community that have given donations and run fundraising events. This is an essential community asset.

St John own a section on Linnet Street which is where the new station will be built. To date we have fundraised (and received grants) totalling almost \$350,000.

If you have a fantastic fundraising idea or are wanting to know more about the project and how you/your business can help please get in touch by emailing bryan.rendle@stjohn.org.nz or 027 445 3794. Keep an eye out next month when we will start selling a limited number of bricks!

Bryan Rendle

Chairperson St John Taihape Area Committee

CHRISTMAS PARADE 2020

BECOME A PARADE PARTNER

The Taihape Christmas Parade brings together our vibrant rural community in a day of festive good cheer. Hautapu Street will be full of children young and old as we start the Christmas season on the 5th December 2020, 12pm to 1pm. The Taihape Community Development Trust is proud to deliver The Taihape Christmas Parade as part of our role in supporting our community. We would like to invite local businesses, organisations and residents to become Parade Partners through our sponsorship programme. Simply fill out the form on the next page and return it to The Trust, and become a Parade Partner today.

To secure one of our limited packages or for further information, please contact Parade coordinator Pania Winiata 06 388 1307/021 042 0303 or info@taihape.co.nz

Float Registration forms are available from the website or I-Site in town hall www.taihape.co.nz

Gardening in Taihape

November brings the hint of summer conditions in the garden whilst still clinging to some cooler mornings. Growth is rapid and plants must be kept well watered to maintain and sustain this growth. It may seem funny to be watering after such copious amounts of rain but our gardens can dry out very rapidly and it is important to water and maintain a good level of moisture before wilting sets in.

Mulching will help in this department by retaining soil moisture over the coming summer months a good base peat, bark or compost to a depth of around 3-5cm will help drastically personal I apply mulch very thick and therefore also only reapply every other year because of this.

In terms of flowers, trim back any shoots from our roses that have already flowered, I know there will be some early ones out there and a good helping of spray to keep small insects at bay. Gladiolus, Canna Lilies and Chrysanthemum will be ideal for planting this month.

Gladiolus Priscilla

In the vegetable department, our vegetables will be experiencing the same style growth as their flowering companions. Remember to maintain a good level of moisture here as well in order for our crops to grow to their fullest and also a layer of mulch wouldn't go a miss of some of the delicate items, although choosing the right mulch for vegetables is key here, a more organic approach should be viewed in order to stay clear of any potential chemical releases from treated mulch or bark.

Hint: when it comes to spraying for aphids on roses and other delicacies mix one teaspoon of garlic powder to one litre of water and spray evenly. A little organic tip used in the Buckingham Palace gardens.

This FEATURE is written with advice from the Taihape Garden Club. Like/share/read comment on their Facebook

Our Brain's Make-up and a Healthier Mood

Have you ever experienced:

- Changes in weight
- Changes in appetite/cravings
- Sleep disturbances
- Fatigue
- Shortness of breath/rapid breathing
- Chest/body pain
- Low sex drive
- Gastrointestinal (GI) symptoms
- Crying spells
- Constant worrying
- Mood swings
- Irritability
- Lack of concentration
- Indecisiveness
- Feeling overwhelmed
- Withdrawal from family and friends
- Relying on substances e.g. alcohol, drugs
– stimulants/sedatives
- Constant pacing, tapping

Certain conditions move a brain into a pro-inflammatory immune state, which increases oxidative stress. This inflammation can alter the serotonin levels in our body, and can result in some or many of the symptoms mentioned. This inflammatory process can impact on the hyperactive hypothalamic-pituitary-adrenal (HPA) axis resulting in inflammation, which alters the brain's neurotransmitter.

Glutamate; when high and out of balance Drives fear, sleep disturbances, anxiety and depressive behaviour
GABA; Lower GABA levels in hippocampus and cortex (midbrain) associated with emotional flatness and irrational fears

How to help?

Ask to fill out a Mood Disorder Appraisal along with an extensive emotional and physical health history to establish how best to reduce brain inflammation to help reduce the symptoms experienced.

Appropriate referral where necessary

Taihape Community Board Comments

I am so pleased to be able to begin these Community Board comments on a positive note as we are now able to report that two major projects have been completed. The Dog Park is now finished, fully fenced and safe for local and visiting canines. Completing the park has been a rather drawn out task as the land is leasehold and, as many of you will remember, was the site of a number of houses for railway staff hence we had to have various approvals and clearances before fencing could commence.

Even during the fencing new requirements kept 'popping up'! However the project is now complete and officially opened. I do not usually mention names in this column but I must acknowledge our contractor, Mr Bill Nelson for, not only his skill but his ideas and tolerance—a great job, thanks Bill.

The Board also acknowledges the generosity of Mr Don Tweeddale for the donation of the gate for vehicle access and our Board member Gail Larsen for the pedestrian gate. Incidentally Gail and the well-mannered Nelson (a fine Rottweiler) had the privilege of cutting the ribbon.

The second major project completed is placement of two defibrillators (AED's) to provide further twenty-four hour coverage for the public. One AED is now placed outside the front entrance of New World supermarket with the other on an outer wall of the Swimming Baths. The latter will provide coverage for the public and the sporting codes.

However we still have many projects to complete but we have moved ahead with several --Board members have decided on the location of an extra seat in the Cemetery – we just need the approval of Council staff and the seat in Kaka Road is a replacement for the one that "disappeared"! Work continues on the Events Boards, Information Boards and signage within the town while Disability Parking, the future of the Tui Street building and the condition and location of security cameras continue to be put before Council.

A reminder to all – Council is currently working on the Long Term Plan, the publication of a draft copy sees the commencement of a period of consultation followed by submissions from the public. Do have your say. The Mayor and council staff will be at a "Talking Table" on 29 Nov—the Xmas Parade.

Finally, a big thankyou to the many groups who are working so hard for the betterment of our community and I must add that the old Cascade Brewery Building looks really smart.

Council News

November 2020

0800 422 522 (24 hrs) | info@rangitikei.govt.nz |  RangitikeiDC

FROM THE Mayor's Desk

This week I have been attending Waitangi Tribunal hearings at Winiata Marae. During the week of hearings I have asked for some time on behalf of Rangitikei District Council so I can present an apology for the actions of previous Councils and Boroughs on how land was taken, without compensation, from Iwi. Now is the time for us to accept and apologise for the failings of the past.

I remember in the last TUT newsletter I warned about possible droughts over summer. A number of people have said to me in the last week "Look at the rain Andy!". But at the same time they have had a wry smile on their faces, knowing that the warning is timely. Hopefully the rain we have had over the last 10 days will have made a difference, however now is the time to prepare.

At this time of year we move into our events season. Over the weekend we had an incredibly successful Hunterville Shemuzzle and we have Christmas Parades, Gumboot Day and Horse Events coming up. Councillors and myself will attend as many of these events as we possibly can, partly to be part of the community and just enjoy ourselves, but also to seek feedback heading into our Long Term Plan progression. You will see Council Staff and Councillors with picture frames saying "Framing our Future" –

this is your time to engage with us around issues you see of importance and requiring funding for our Long Term Plan. If we have an idea of the major expenditure that we are facing it can go into our formal consultation process which will occur after the new year. Please take the time to have your say now rather than saying later "I wished you'd thought of this".

At the next Council meeting we will hopefully be in a position to make a final decision around the amenities block in Taihape and the future of the Taihape Grandstand. There have been a number of positions on this. My personal view has been to look at it as two separate issues, however that will be a Council decision. The most critical thing is to get a decision.

Ngā mihi, **Mayor Andy Watson**,
Rangitikei District Council.

More than two dogs?

Council is proposing an amendment to the Control of Dogs Bylaw allowing for a maximum of two dogs per property in residential areas, if a property has more than two dogs the occupier of the property will be required to apply for a multi-dog permit.

Council would like your feedback on the proposed amendment to the Control of Dogs Bylaw. Written submissions may be made until midday **19 November 2020**.
