TALK UP TAIHAPE

Taihape Community Development Trust **December 2019**

What a great year to be in Taihape

The Taihape Community Development Trust works closely with community-led events and projects to create a more vibrant Taihape. Our town has a big heart and the Trust contributed to the fun and festivities with Gumboot Day, our amazing 125 Taihape Celebrations (including our annual Spring Fling), and of course, our annual Christmas Parade and Christmas in the Park.

We supported new events including Animal Mask Making and a charity climb up Mount Stewart. Our youth were given expert training in project delivery as part of the inaugural Young Leaders Workshop. Work continues to provide opportunities for future leaders to learn and grow.

Fund raising is a big part of what makes this town and events successful. Taihape's businesses give much to the community. Just look at how many have Christmas messages in our special colour edition of the newsletter. If you are in business, part of a community group or just one of the many wonderful residents of Taihape, it is you who make ideas real with donations, sponsorships and generosity like that raffle ticket you just purchased.

Thank you to our traders, community groups and YOU.

Merry Christmas one and all!

On behalf of the Trustees of The Taihape Community Development Trust we would like to thank the business community in Taihape, our event volunteers and helpers who have made 2019 such a good year.

Frances, Kathy, Michelle

The Trust office will close at 3pm on Monday 23 December and reopen at 9am on Monday 6 January 2020.

Talk UP Taihape is taking a break in January. The next issue is February 2020. We thank our advertisers, our contributors and you, our readers, for your support in 2019.

CHRISTMAS GREETINGS

“The Trust has had a busy and fruitful year. We have seen our new coordinators welcomed by the community and they have hit the ground running. Our events and projects portfolio will grow in 2020, due to the continued support of the vibrant community that is Taihape.

May you all have a safe and happy holiday.”

Katene Peretini,

Chair, Taihape Community Development Trust

“It has been another great year for Taihape, one full of memorable occasions and I have enjoyed being a part of your community's activities.

Taihape has a vibrant future and like you, I am eager to see what the new year brings.

On behalf of the councillors and staff at the Rangitikei District Council I would like to wish everyone in Taihape a safe and Happy Christmas.”

Andy Watson,

Mayor, Rangitikei District Council

“The Taihape Community Board for the next three years is Ann Abernethy (Chair), Michelle Fannin (Deputy Chair), Emma Abernethy, Gail Larsen, and new Rangitikei District Councillors Gill Duncan and Tracey Hiroa together with returning Councillor Angus Gordon.

There are some big issues to be discussed and decided upon and it is the role of a Community Board to represent and act as an advocate for the interests of its community.

Nationally, there is a perception that with population increase comes growth only in cities and towns and the demise of smaller rural communities. Be assured that the Taihape Community Board will be working hard to ensure that our community remains a great place to live.

Best wishes for the festive season and the new year ahead.”

Ann Abernethy,

Chair, Taihape Community Board

NATUROPATH

- KAREN HUGHES -

As Christmas gets closer our schedules fill up as the end of the year approaches.

Shopping, preparation for end of school activities, concerts, Christmas parties & celebrations.

Some thoughts on doing things smarter:

1. Try to restrict the days you go out through the week to 3, maximum 4.

2. Remember that a Soda, with bitters in a wine glass, is a lovely alternative to alcohol

Remember to drink water in between drinks for hydration.

Have your glutathione when you get home to help the clearance of the alcohol. (if you had any!)

3. Foods; Look more to proteins and salads, which help to stop the weight gain and bloating when we consume carbohydrates.

4. Regular exercise such as walking, bike riding or swimming will keep you feeling good.

5. Catch up on sleep - even an afternoon nap on the weekends for 15-20 minutes can help you cope with the busy schedule and sleep in on weekends if at all possible.
