TALK UP TAIHAPE

Taihape Community Development Trust February 2020

Happy belated New Year greetings from the Talk Up Taihape crew for 2020. We have already had some exciting events in Taihape and we certainly look forward to many more throughout the year.

The A&P show in January was a great event, on a lovely hot Taihape day. In the lead up to the Rangitikei Shearing Sports 57th Annual competition we saw finesse and expertise that provided great entertainment, once again. Cottage Industries showed local talent with many cups & prizes given out.

We're also very excited about the iconic Gumboot Day Family Festival in March, mark it in your calendar, Saturday the 7th March from 10am till 3pm. This year is your chance to highlight your business, organization or Club so fill out an application form and be a part of a fun event.

Come along to the Concert at Papakai 22nd February to celebrate the opening of the park, much improved by the hard work of Friends of Taihape and Jo Coogan. Relax and unwind with music and good food, more details page 7.

Much whispered about and now it's finally announced! After 5 months of preparation MAMMA MIA, the stage performance is now here, the glitter and the songs we all love to dance to. This is a MUST see of the year so book your tickets now.

On Saturday March 14th a brand NEW running and walking event for all levels of fitness. The Gumboot Gallop replaces the Taihape Half Marathon with local character aplenty. Head to taihapegumbootgallop.co.nz and get your

legs ready! More news to read, just turn the page

MAMMA MIA MUSICAL COMING TO THE RANGITIKEI

TAIHAPE PRODUCING ITS BIGGEST SHOW EVER

Tickets are now on sale for Taihape's biggest show yet, as the smash hit, West End musical "Mamma Mia!" comes to the Rangitikei for the first time in April.

Set to a bevy of beloved ABBA songs, the high energy show tells the story of feisty tavern owner and part-time singer, Donna, and her daughter, Sophie, as they prepare for Sophie's wedding – while trying to confirm the identity of Sophie's father. Shows will run from April 15 to April 18, and include four 7:30pm shows and one 2pm matinee.

Rehearsals are currently in full flight for the romantic comedy, which includes ABBA classics such as *Dancing Queen*, *Mamma Mia* and *Money Money Money*. Celebrated director Wendy Revell is at the helm, having worked on a number of hugely successful shows throughout the country.

"This is like nothing we've ever done in the region before – a real West End musical with a local cast. It's a highly technical show, with plenty of skill required for sophisticated harmonies and big show-stopping dance numbers, and the cast and crew have absolutely stepped up to the challenge."

"The district is certainly in for a real treat come opening night, and there's no doubt people will leave the shows smiling – and singing ABBA tunes on their way home!"

The cast is made up of talented locals from Marton, Hunterville, Taihape and surrounding districts, many with previous stage experience. "By show night, they would have collectively put in over 5000 hours of rehearsal time, so we do hope the region shows their support by buying a ticket to one of the shows," Wendy continued.

One of these is local New World checkout manager and professional singer, Ariana Hansen, playing the lead role of Donna. "This is the role of a lifetime. I love a challenge, I love the music and I love the energy of the people I'm working with. It's going to be an incredible show."

Tickets are available at the Taihape Info Centre, and online at TaihapeDramaClub.com and Eventfinda.co.nz.

On line version is available through www.taihape.co.nz Please note our annual review of rate increase will take place in April .

A personal thank you to New World Taihape, Adrienne, Tracy and team, for stepping up during our Rubbish change-over in January. All the front line staff had to deal with Taihapians looking to swap rubbish bags and understand the new arrangements with the two providers. Although Council are not the Rubbish providers they are working on your feedback to improve the service including creating a clearer map of the collection points. It's been a bit rubbish but well done everyone and I hope you had a happy Waitangi Day.
 Councilor. Gill Duncan

SWIMMING IN THE HORIZONS REGION

The importance of being well informed is why every summer we monitor over 80 popular swim spots across the region, providing you with reliable information on the potential health risks in our waterways. Each swim spot is tested for faecal indicator bacteria including E. coli for freshwater and Enterococci for coastal waters, as well as cyanobacteria, which is also known as potentially toxic algae. Each site is graded according to a traffic light system as recommended by the Ministry of Health. Our weekly results are published to our website in a map and table format. Alongside NZ 15 other regional and unitary councils, Horizons collects, analyses and reports on environmental information, including swim spot monitoring over summer on the [LAWA website](#). Ready to Slay Your 2020 New Year's Resolutions?

When it comes to New Year's resolutions, health goals remain at the top of our 'to do' list. Whether it's shedding those extra Christmas kilos, parting ways with junk food, or dusting the cobwebs off your gym membership card (perhaps

even locating it first), New Year's resolutions offer the prospect of positive life changes. Whilst

these resolutions come from a place of good intentions, unfortunately they rarely come to full fruition. Amid the hustle and bustle of life, it can

be hard to stay motivated and on track when a curve ball is thrown your way! To improve your chances, let's look at strategies that can help you

achieve, your health and wellness goals for this year. Set Your Sights on What Motivates You

What drive you? What distracts You? If you maintain a strong sense of why you want to reach your goal, you will find it easier to resist temptations. Research shows that self-motivated goals are more likely to be achieved, so gain clarity on

what drives you and remind yourself of this when temptation comes your way. Be a SMARTY Pants

Goals are easier to reach if they are SMART, acronym for Specific, Measurable, Attainable, Relevant, and with a Timeframe.

The SMART goal-setting framework allows you to set clear goals and understand when you are on track to each them.. Track Your Progress as Diligently as You rack Your Insta Feed Self-monitoring is key to helping you track your progress and make adjustments to your goal. Recruit a Wingman—Health goals are easier to reach if they are set with the help of a Practitioner.

Say 'Adios' to Stagnant New Year's Resolutions. Whilst New Year resolutions are often lofty and non-specific, they are driven by the desire for change for the better. Setting resolutions can also provide you with opportunity for new adventures and keep you striving towards the experiences you most want out of life. So what are you waiting for? Slay your health goals in 2020 by putting these strategies to work and reap the rewards that come from your motivation and dedication! Metagenics Newsletter, January 2020
