

TALK UP TAIHAPE

Taihape Community Development Trust - *October 2023*

Spring Fling wrap up

Saturday 23 September was a great day for our town. We had stalls along the main street, pipers marching along the sidewalk, and shopfronts decorated with bright bursts of colour. The weather led us to cancel our Baby Animal Fair and some of the entertainment, but that did not stop everyone involved putting their best foot forward and celebrating all things Taihape.

We had the Daybreaker Rally teams in town and the feedback has been positive.

Our sponsors for the event included the Rangitikei District Council through their Creative Communities Funds, Pub Charity and of course, the people of Taihape.

ELECTIONS—MAKE YOUR VOICE COUNT

We are lucky to live in a democracy, where we can vote and have a say in how our country is run. Your vote counts.

FROM THE *Mayor's Desk*

Kia ora koutou, the Daybreaker Rally kicked off in Feilding on 22 September. Manawatū Mayor Helen and myself were given the incredibly important tasks of flagging the cars on their way. I was stunned at the number of spectators who came to watch the ceremonial start. People queued for the best part of one and a half hours to get the signatures of drivers like Hayden Paddon and Shane van Gisbergen. The public interest in rallying and motorsport was amazing. The rally travelled over both Manawatū and Rangitikei roads and we are often told they are the best and most challenging rallying roads in New Zealand. The following day between 8am and midday the rally arrived in Taihape where all the cars stopped for a service session – this gave everybody the chance to have a look at the machinery and especially the scale of the work teams and pit crew have to put in. Of the 92 cars that had entered most of them had got to Taihape with only a few withdrawals. The great thing was that the rally coincided with the Spring Fling in Taihape where there were numerous stalls, displays and activities on the main streets and around the town. Spring Fling is organised annually by the Taihape Community Development Trust and is a tremendous showcase of talent and entertainment and I thank Pania and her team for making it possible. For me it was the chance to grab a hot pie, something to drink and to wander the streets talking to people and spending time looking at the rally cars.

I am writing this on the 2nd of October, the day that voting opens for the general elections. I have been to a couple of Meet the Candidates nights, listened to numerous debates and read the huge number of promises that every political party has made. Whether they will all be honoured in the outcome of the election is a moot point, however promises have been made and we can hold whoever gets into power to account. I would encourage everybody to go and vote – it is no point complaining if you don't have a say!

Ngā mihi, Andy Watson, Mayor of Rangitikei.

Enrol. Vote. Be heard.

Rēhita. Pōti. Whakaputaina ō whakaaro.

Voting is now open and there are more than 400 voting places open today!

Find out where you can vote near you by going online to www.map.vote.nz/voting-places. The times and dates that voting places are open may vary. Please check the hours of your chosen voting place before you go to vote.

You can vote from now until 7:00pm on 14 October.

This week you should also be receiving your EasyVote card which will make voting much simpler. You don't need a reason or special approval to vote early – advance voting is for everyone.

Not yet enrolled to vote? You can enrol and vote at the same time when you head to a voting place, or enrol online before you vote. www.vote.nz

Petition for a Citizens Initiated Referendum.

Should the New Zealand government fund road maintenance at levels sufficient to reverse the current decline in the average age and condition of our national state highway network?

This question has been put forward by New Plymouth District Council, as part of a petition for a Citizens Initiated Referendum.

If you'd like to sign this petition and call for a referendum, you can do so at the Taihape Library, Marton Library and Te Matapihi.

WHAT'S NEW AT MSD?

Help for renters

Talk to us if you need help with your rent or housing costs. We offer financial support to people to get into or stay in private rentals. This includes students and people over 65.

You don't have to be on a benefit to get help. You may also be eligible if you're on a low income.

The support you get will depend on your circumstances, income and assets.

For more information visit the housing page on our website workandincome.govt.nz.

You can also check what you might get online at check.msd.govt.nz.

Looking for work?

The Ministry of Social Development is all about helping to build successful individuals, and in turn building strong, healthy families and communities. One way of working towards this is through providing employment.

Work and Income Taihape is currently looking for Rooding/Construction workers for a roading contractor.

We regularly have new vacancies available. You can find more information on our website Kimi Mahi Mai Find a Job <https://findajob.msd.govt.nz/>

NOTES FROM THE TAIHAPE COMMUNITY BOARD

Our next meeting is on the 11 October at Kokako St Hall starting at 5.30. It is always open to the public. If you or group that you belong to wish to make a submission, please contact us.

This month gone, we submitted to the Rangitikei District Council on some key issues of Traffic Safety in the district. Particular emphasis was placed on pedestrian safety in Hautapu St, poor road makings at the Gretna Corner and the speed limits on Mataroa Road. The RDC is going to work with us in approaching Waka Kotahi in these matters as well as assisting with some key signage around the side streets.

It was great to attend the Rangitikei District Council's workshop on the plans for the Town Hall Complex. There were so many different interested organisations present, so thanks to the council for the consultation and to the Sub-Committee of the Heritage Trust who spread the word amongst the organisations of the district .

Congratulations to the Taihape Community Development Trust for the Spring Fling. To see the stalls in Hautapu St was fantastic and definitely worth doing again.

As the Taihape Community Board covers the same area as the Northern Ward; we have a duty to represent those in the rural areas from Ohingaiti out to Moawhango and across to Papanui. As a board we are aiming to take meetings or workshops out to the wider community. If your area is interested in hosting or speaking to us, please make contact.

The Board also asks that the community report issues with roads, signage and other matters to the Council by using the Request for Service forms on the Council website or by calling in to the helpful staff at the Library and Council offices in the old BNZ building.

N A T U R O P A T H

- KAREN HUGHES -

Sleep – Are you getting enough?

Insufficient, or poor-quality sleep has immediate consequences on our bodies, and can include increase in;

- HPA axis activity -levels of cortisol are too high at night and not high enough on waking
- Insulin resistance- when cells in muscles, fat and liver are not responding well to insulin and can't easily take up glucose from your blood stream.
- Inflammatory signaling – over a longer time of poor sleep patterns, contributes to chronic disease
- Reduced melatonin production - A low melatonin level can disrupt a person's circadian rhythm and sleep pattern, preventing them from entering a natural sleep wake cycle

The impact of poor sleep can be felt immediately, or over a longer time. Consequently, correcting disordered sleep provides both symptomatic relief and longer term disease protection.

Magnesium, phytomelatonin and sleep enhancing herbs target cortisol, melatonin, GABA and glutamate, the fundamental regulators of sleep. A combined action helps us to find the restful and rejuvenating sleep.

If you would like help finding a more restful sleep, make an appointment today.

Gardening in Taihape

Our September meeting was a sell-out. Visitors came from afar - Raetihi, Ohakune and Hunterville, lured by the guest speaker. Ken Telford came from the deep south with generously donated boxes of his hellebore plants, each doubled in flower. These were all two years in the growing, each meticulously hand pollinated, very special and not often for sale up our way. Over fifty keen customers soon made short work of them and filled our coffers.

Spring is here but taking its time with frequent dull wet days. Daylight saving gives that extra hour for the garden. Weeds can be a problem if they have caught up with you. Spraying may be needed but leave to dry for at least two hours afterwards to get a good kill; be mindful though of the birds, bees and insects.

Spring is awash with pink flowers. Flowering now in the Triangle in town there are big specimens of the cherry *Prunus yedoensis*. Up on Dixon Way there is wonderful plant in full bloom of *Magnolia stellata* 'Rosea.' This was planted years ago by Barbara Peed, a long time Garden Club member. Magnolias make a great garden plant and there are many to choose from. There are a number around town. If you have a small garden *Magnolia* 'Genii' is highly recommended - not only is it small it flowers prolifically at a young age. A larger choice would be *M. campbelli* or its many hybrids - for example 'Strawberry Fields.' A good thing to know is that Magnolias need shelter but are easily moved just after flowering.

Colour is always the thing most people like to see. A few punnets of annuals won't go amiss so get a few and poke them in in any vacant spot. Even in this dull weather it will be surprising how soon you will get some flowering. Pansies and violas are a stand-by with their their wide eyes; left to them selves they seed and will reward again next year. It's too soon to be thinking about tender plants for the vegetable garden. But as soon as corn, pumpkins and tomatoes are in the shops don't be tempted too soon - it may be too early for these main stays in Taihape? With shelter and care it will soon be time.
